*DJS has a FREETAKE program where any participant may retake every workshop they have previously taken and successfully completed, once, for FREE, space permitting (Master Series and Flush Setting workshops excluded). Freetakes do not expire! You just buy your supplies and pay the Studio Fee for your Freetake!

*DJS offers these incentives to actively support participants in building their metalsmithing techniques.

Our Studio:

Clean, inviting, open studio space with abundant natural lighting

Each participant has the use of a jeweler's bench (with flexshaft, bench pin, work light and adjustable seating)
8 soldering stations (with excellent ventilation, spinning annealing pans, Duraboards, firebricks, tweezers, solder picks, flux brushes, Luxi & paste fluxes, pickle pots, rinse water, & magnetic 3rd hands)
